Forward-Looking Statements

This presentation contains certain forward-looking statements, within the meaning of the U.S. Private Securities Litigation Reform Act of 1995, that involve risks and uncertainties. Actual results and events may differ significantly from results and events discussed in forward-looking statements. Factors that might cause or contribute to such differences include, but are not limited to, those discussed in “Risk Factors” in our Annual Report on Form 10-K and subsequent Quarterly Reports on Form 10-Q filed with the Securities and Exchange Commission. Undue reliance should not be placed on forward-looking statements, which speak only as of the date they are made. We undertake no obligation to update publicly any forward-looking statements to reflect new information, events, or circumstances after the date they were made.

Non-GAAP Financial Measures

This presentation contains non-GAAP financial measures. Non-GAAP financial measures are not prepared in accordance with generally accepted accounting principles and may not be comparable to similar non-GAAP financial measures used by other companies. The most directly comparable financial measures calculated in accordance with GAAP and a reconciliation of GAAP to non-GAAP financial measures are provided at the end of this presentation.

Due to cessation of CE mark services by our prior notified body, CE marks for these products lapsed on 9/30/19. Prior to that date, we placed excess inventory onto the EU market to mitigate backorder risk. We expect our new notified body to grant CE marks for all but one of the products by Q1 2021, and we expect to receive the CE mark for AlboSure in Q4 2021.
