Item 1.01. Entry into a Material Definitive Agreement

On April 5, 2018, LeMaitre Vascular, Inc. (the “Company”) entered into an agreement (the “Asset Purchase Agreement”) with Specialty Surgical Instrumentation, Inc. for the sale of assets related to the Reddick Cholangiogram Catheter and the Reddick-Saye Screw, which are general surgery products. Specialty Surgical Instrumentation, Inc. is a wholly-owned subsidiary of Symmetry Surgical, Inc. The Company consummated the transaction and divested the assets on April 5, 2018 (the “Closing Date”) for \$7.4 million in cash at closing. Assets divested included inventory, equipment and other tangible assets, intellectual property, registrations and approvals, records and certain other assets.

The Asset Purchase Agreement contains customary representations and warranties and covenants by each party. Additionally, for a period of three years following the Closing Date, the Company has agreed not to engage in certain competitive activities with respect to the business sold. Both parties are obligated, subject to certain limitations, to indemnify the other under the Asset Purchase Agreement for certain customary and other specified matters, including breaches of representations and warranties, breaches of covenants and for certain liabilities and third-party claims.

The Company also entered into a transition services agreement and a long-term balloon supply agreement with Specialty Surgical Instrumentation, Inc. in connection with the divestiture.

The foregoing description of the Asset Purchase Agreement is not complete and is qualified in its entirety by reference to the full text of such document, which will be filed with the Company’s Quarterly on Form 10-Q for the fiscal quarter ending March 31, 2018.

Item 7.01. Regulation FD Disclosure

LeMaitre Vascular Divests General Surgery Product Lines

BURLINGTON, Mass., April 5, 2018 (GLOBE NEWSWIRE) — LeMaitre Vascular, Inc. (Nasdaq:LMAT), announced today that it has divested its general surgery product lines to Symmetry Surgical, Inc. for \$7.4 million.

Included in the divestiture were the Reddick Cholangiogram Catheter and Reddick Saye-Screw, both used during laparoscopic cholecystectomy procedures. As part of the transaction, the parties entered into a two-year manufacturing transition services agreement.

Dave Roberts, LeMaitre Vascular's President, commented, "We are pleased to divest these general surgical product lines and to rationalize our portfolio. Following this transaction, all of LeMaitre's remaining 14 product lines are now focused on the needs of our core customer, the vascular surgeon."

"Symmetry Surgical is excited to add the Reddick® product lines to our comprehensive laparoscopic portfolio," said Scott Kunkel, Chief Financial Officer, Symmetry Surgical. "We look forward to partnering with LeMaitre Vascular during this transition period to provide excellent service to our customers."

In 2017, LeMaitre's general surgery product lines accounted for \$3.3 million in revenue and \$2.5 million in gross profit.

Business Outlook

LeMaitre Vascular will provide Q1 results as well as updated full year 2018 guidance on April 25, 2018.
